OLD BUSINESS:

1. The auditors were here the week as the election. Ginger spoke with the auditors and they were very complimentary. They said Liz did a great job. They left here with only 2 unanswered questions which is very rare.

2. Ginger will be attending the League of Municipalities Conference, May 6-8.

3. There was a playground meeting, and the next section won't be completed until July. They chose a new company for the equipment. Leathers was not responding to us.

4. George and Ginger will be meeting with Frank tomorrow with the DNR to negotiate something about the Rademaker property.

5. About 5 years ago Town of Stephenson asked us to go in on a project where they were putting safety markers along the Peshtigo River for when people get lost on the river they can identify where they are to the fire department. This never happened but the town did purchase the signs. Jeff Mursau is going to speak with the DNR office to ask about a right of way that we could use.

NEW BUSINESS:

Evan asked if the playground be built with wood? Ginger replied it will be built with a composite material. The company injects the wood with apple cider vinegar to preserve the wood. The company has some unique playground apparatus. The company will create a mock up to show the board what the new playground will look like. Some will be community board.

CRIVITZ ROCKS:

Melissa Kamps was very impressed with our Public Works Department. There was huge pothole on Funk Street and it was fixed the next day.

CORRESPONDENCE:

1. Operator's Licenses issued to: Austin Bieliauskas
2. WI Wins 2025 Tobacco Compliance Checks: Crivitz had no offenses.
3. Call for Volunteers letter was passed onto all members.
